Go Global – Online Mobility Hackathon Challenge

The Go Global Mobility Hackathon is a one-month online collaborative learning initiative connecting students from universities across Southeast Asia and the UK. Participants will co-create sustainable social enterprise concepts that integrate themes of digital transformation (artificial intelligence – AI), addressing global challenges aligned with the UN Sustainable Development Goals (SDGs).

Current Partner Institutions

Current partners include the following institutions:

- Nanyang Polytechnic (Singapore)
- Teesside University (United Kingdom)
- BINUS University (Indonesia)
- INTI University & Colleges (Malaysia)
- Kansai University (Japan)
- PSU (Thailand)

Objectives

Project themes and objectives are to provide online collaborative mobility activity that supports:

- Fostering of global student mobility through virtual collaboration.
- Encourage cross-cultural teamwork and knowledge exchange.
- Develop innovative social enterprise ideas integrating sustainability and AI.
- Provide exposure to industry insights and expert mentorship.
- Identify and reward the most impactful, scalable, and sustainable solutions.

Eligibility
Open to students from all participating institutions enrolled in business, computing, and related digital programmes. Participation can be voluntary or embedded into curriculum by partner universities.

Digital Publicity
- joint digital publicity poster
- inclusion of institution logos
- include 3 key dates

Timeline & Support from Partner Institutions
- Institution Logo for publicity poster
- Short intro profile from institution, academia staff & partners
- Confirmation on number of participating students
- Involvement from academia staff (coordinators,
- Involvement from industry mentors (to be confirmed)

Online Platform
- TU web-based platform

Format & Timeline
The hackathon will run for 8 weeks, featuring three live sessions and continuous remote collaboration:

3 compulsory online collaboration sessions
Session 1: 28 May
Session 2: 2 July
Session 3: 23 July

Country	Time Zone	Local Event Time
SG **Singapore**	SGT (UTC+8)	**4:00 PM – 5:30 PM**
MY **Malaysia**	MYT (UTC+8)	**4:00 PM – 5:30 PM**
TH **Thailand**	ICT (UTC+7)	**3:00 PM – 4:30 PM**
JP **Japan**	JST (UTC+9)	**5:00 PM – 6:30 PM**
GB **UK**	**BST (UTC+1)**	**9:00 AM – 10:30 AM**

Session 1: Kick-Off & Challenge Launch
Date: 28 May
Session Outline:

- Welcome and introduction to the hackathon.
- Overview of themes: Sustainability, AI, and Social Enterprise.
- Explanation of expectations, deliverables, and timeline.
- Interactive Q&A via live chat and QR code engagement.
- Formation of multinational student teams (10-12 members per team).

Session 2: Midpoint Feedback & Industry Insights
Date: 2 July
Session Outline:

- Teams present initial concepts for feedback.
- Guest lectures from industry partners on sustainability and AI applications.
- Live Q&A with experts to refine ideas.
- Final submission: recorded 2min pitch & presentation slides uploaded in Youtube by 9 July
- Assessors to complete and shortlist Top 10 Finalist teams by 16 July
- Shortlisted teams to prepare final pitch by 23 July

Session 3: Final Pitch & Awards
Date: 23 July
Pre-Session Deliverable:

Final Pitch Session:

- Live pitch presentations to a judging panel.
- Interactive Q&A with all participants and attendees voting on:

Judging Panel
Composed of academic representatives from each participating institution and global industry partners from diverse sectors. Judges will be nominated by partner universities.

Expected Participation
400 - 500 students across partner universities.
- NYP: 180
- TU: 100
- INTI: 50+
- KU: 20-30
- PSU: 50+

Teams of 10-12pax/team (to be confirmed), ensuring cross-institutional collaboration.

Evaluation Criteria
- Innovation & Creativity: Novelty of the idea.
- Sustainability Impact: Alignment with UN SDGs.
- Technology Integration: Effective use of AI and digital tools.
- Feasibility & Scalability: Practicality and potential for real-world implementation.

Awards
Top 10 Finalist Teams will receive Certificates of Achievement, recognition across partner institutions, and potential mentorship or incubation opportunities.

Category Awards:
- Top 10 Finalists
- Most Sustainable Concept (1 team)
- Most Impactful Digital Transformation Concept (1 team)
- Most Innovative Idea (1 team)
- People's Choice award (1 team)
- Best Pitcher (1 person)

Considerations:
Partners to agree guest speakers, marketing & promotion activity, awards & certificates, and technical support.

Each partner will agree to commit academic supervisory support, guest judges/industry mentors and operational support.

Key Milestones
- Partner Confirmation: January - March
- Publicity and student sign up: Early April
- Student Registration completion: End of April
- Session 1: Kick-Off: 28 May
- Session 2: Feedback: 2 July
- Final Pitch & Awards: 23 July
- Announcement of winners: 24 July
- Post-Event Evaluation: End July
